28th November 2008

Dear Sirs,

We are pleased to write this letter of reference for Resolution Property Management.

Deka has chosen Resolution Property Management services for the management of its shopping centre BIG starting from May 2007.

The shopping centre of a size of 28 000 sqm is located in the capital of Lithuania, Vilnius and demands the highest level of property management.

Resolution Property Management is also responsible for facility management, procurement of all facility services and media supply, tenant administration and reporting.

Resolution Property Management Manages a complex shopping center, which requires property manager's involvement in many aspects of its operations. Resolution Property Management understands the importance of shopping center, owner's goals and finds solutions to meet these requirements.

We enjoy working with Resolution Property Management and are absolutely content with our cooperation.

Yours Sincerely;

Deka Immobilien GmbH
